

# Creating an account for a rider under 18, not previously registered with Equestrian Entries

Article Number: 24 | Last Updated: Sun, Aug 6, 2017 at 11:31 PM

For riders under 18 their account needs to be linked to a parent account; it is not necessary for the parent to ride.

Increasingly events are not accepting entries made directly from the account of a rider under 18 years. This decision relates to Health and Safety and insurance requirements.

Once the parent (or another responsible adult over 18) has set up their account they can then add riders under 18 to it.

Sign in and click MY ACCOUNT - top right but only visible once you have signed in.

Scroll down until you see REGISTER RIDERS UNDER 18

Below this is a registration form with the following fields: Email, Re-enter Email, Password, First Name, Last Name, Date of Birth DD/MM/YYYY, Mobile, and ESNZ Rego # xxxxxxx. At the bottom of the form are **cancel** and **sign in** buttons. To the left of the form is a table with columns **SCHEDULE** and **START DATE**, featuring a **view** button for each row. Click CANCEL and it will take you to your MY ACCOUNT page and you will see the rider listed there. If the name doesn't show try signing out and signing in again; your browser may have cached the page so it doesn't refresh.

When you sign in to do entries using your password you will be able to see the rider and do the entries under their name.
