

# Creating an account for a rider under 18, not previously registered with Equestrian Entries

Article Number: 24 | Last Updated: Sun, Aug 6, 2017 at 11:31 PM

For riders under 18 their account needs to be linked to a parent account; it is not necessary for the parent to ride.

Increasingly events are not accepting entries made directly from the account of a rider under 18 years. This decision relates to Health and Safety and insurance requirements.

Once the parent (or another responsible adult over 18) has set up their account they can then add riders under 18 to it.

Sign in and click MY ACCOUNT - top right but only visible once you have signed in.

The screenshot shows the top section of the Equestrian Entries website. On the left is the logo featuring a horse silhouette and the text "equestrianentries" with the tagline "your complete online competition resource" below it. On the right are two buttons: "my account" and "sign out". Below these is a dark navigation bar with the links "MY ENTRIES", "RESULTS", "FAQ", and "CONTACT".

Scroll down until you see REGISTER RIDERS UNDER 18

The screenshot shows the website interface for rianentries.co.nz. At the top, there are navigation tabs for HOME, MY ENTRIES, and RESULTS. A prominent orange 'REGISTER' button is visible, with the text 'Not a member yet? Sign up now.' below it. The registration form includes fields for Email, Re-enter Email, Password, First Name, Last Name, Date of Birth (DD/MM/YYYY), Mobile, and ESNZ Rego # (with a placeholder 'xxxxxxx'). There are 'cancel' and 'sign in' buttons at the bottom of the form. To the left of the form is a 'country' dropdown menu set to 'All'. Below that is a 'SCHEDULE' table with columns for 'SCHEDULE' and 'START DATE'. The table contains five rows, each with a 'view' button and a date. At the bottom right, there is a 'Show Jumping' button.

SCHEDULE	START DATE

Once you have completed the details click SIGN IN and you will get a message Thanking you for the registration.

Click CANCEL and it will take you to your MY ACCOUNT page and you will see the rider listed there. If the name doesn't show try signing out and signing in again; your browser may have cached the page so it doesn't refresh.

When you sign in to do entries using your password you will be able see the rider and do the entries under their name.
