

Linking under 18 riders to a parent account.

Article Number: 25 | Last Updated: Wed, Dec 14, 2016 at 1:47 AM

Entries for riders under 18 need to be made via the parent account. If the rider and parent already have accounts using the same email address but different passwords then the accounts should link automatically.

If they don't you have a couple of options.

1. Sign in to the account of the person under 18 click on MY ACCOUNT

Scroll down until you see 'Other people nominated to make my entries'

Other People Nominated to Make My Entries (spouses or owners)

request to nominate

add horse

OR

search ESNZ registered horses to assign

not ESNZ registered

NAME	ESNZ #	FEI	ACTION	EMAIL OWNER
Baby	N/A	N/A	<div>detail</div> <div>unassign</div>	<div>add</div>
beautiful	N/A	N/A	<div>detail</div> <div>unassign</div>	<div>add</div>

Click REQUEST TO NOMINATE button and you will get a pop up asking for the name of the person. Put in the parent name. This will only be successful if the person you are nominating has an Equestrian Entries account. It is not instantaneous and may take 24 hours to be processed.

2. Use the webchat to ask for the accounts to be linked. Once again this will only be successful if both

the parent and child already have accounts with Equestrian Entries. Once linked you can instantly make entries from the parent account.
